Factory Visit Report – HDPE Pipe upto Dia 450mm
M/s Jet Plast

The submitted documents have been reviewed by concerned specialty vide letter no. 4323/13/KAK/02/43 and the corresponding review sheet/memo is enclosed herewith for reference. As recommended by the concerned specialty, the proposed source is hereby **Generally Approved except as noted** in the attached review sheet subject to the following conditions:

1. Any change in manufacturer, product composition, production process, raw material source, or certification status shall require prior re-submission and approval.
2. This approval is limited to technical acceptance of the material source and does not relieve the Contractor of any contractual obligations regarding quality, performance, statutory compliance, warranties, or testing requirements.
3. Any deviation from the approved documentation may result in withdrawal of this approval and appropriate contractual action.

Notwithstanding the above, this approval is limited to the source only. For specific projects, separate project-specific submittals shall be submitted at the site through the Contractor for final technical approval.

Best Regards

(JUNAID YOUNAS)
Deputy Project Manager (Design)
IEI Division, NESPAK
